

I ankita mahesh student of R.G.R siddhanthi college of education (2018-2020) batch sharing my wonderful experience with the institute.The college is well equiped with the best infrastructural facilities and wonderful cooperative teachers and other staff members.The atmosphere is very conducive and positive for every student.

I am very fortunate to be part of such prestigious institution to learn and explore basic teacher training and skills to become a potential teacher. I thank our principal mam, Lecturers, other staff memeber and my friends for making this journey productive and helping me to become a well qualified and skilled teacher.

thank you
